TO PROVIDE
CONSUMER DIRECTED IN-HOME SERVICES
UNDER THE ERIE COUNTY
EXPANDED IN-HOME SERVICES FOR THE ELDERLY PROGRAM
(EISEP)

RFP # 1334VF
October 29, 2013

Question:

If an agency is not licensed can we still respond to the RFP to perform the services of Personal Care level I only?

Answer:

There are no specific state requirements for the FMS or FI (Fiscal Intermediary). The AAA is to decide what qualifications the subcontractor must have as well as the extent of training to be provided. The RFP does not seek agencies looking to perform personal care.
